

Flexible Registration Fees and Options at Presbytery Point

Summer camp has great value in the life of a child. Campers and their families have told us that a week at Presbytery Point Camp is priceless!

Realizing that each of our life situations vary, Presbytery Point Camp has instituted a flexible fee program. You may choose the option that is most suitable for your situation. It is a free will system - you tell us what works for you or your family. All participants receive the same Presbytery Point experience no matter which they choose!

Choice 1 is supported by Friends of the Point gifts to help with camper costs.

Choice 2 includes support from church groups including Presbyterian Women and Deacons.

Choice 3 more closely reflects the true costs of camp.

Our goals:

- ❖ To provide the highest quality programs possible.
- ❖ To serve and welcome all who want to be part of our camp community.
- ❖ To preserve Presbytery Point Camp for generations to come.

Again, this program is voluntary, confidential, and in no way influences the experience anyone will receive. It offers the opportunity for each camper and their family to choose the best option for them.
